MONSTER FUCKS!

My new boyfriend recently asked me to tell him about my past sexual experiences. I did, but there is one experience I've not told him about.

I agreed to tell him through Razzle – he is an avid reader. I got him to take some photos to go with the story, which should be a big surprise to him.

One night last year I was on my way home from the pub when my car broke down and left me stranded in the middle of nowhere.

A car pulled up behind me and two guys got out and asked me what the problem was. I recognised both the guys from the pub I'd just been in.

They realised I'd run out of petrol. The driver, Colin, said he'd go and get me some from the garage. The garage was about five miles away and his mate Pete was to stay and make sure I was OK.

Pete and I got back into my car to wait and it was then that I started to act completely out of character.

My skirt had ridden up and my thighs and stocking tops were on display. Instead of pulling down my skirt I slowly parted my legs so he could see better.

He stared at my pussy, which was now visible through the tiny G-string panties I had on. I reached over, put my hand on his dick and gave it a squeeze.

The result was quite spectacular. Within a few minutes my blouse and bra were off and he was frantically sucking on my erect nipples.

He was rubbing my pussy and pushing his fingers into my already wet cunt.

We scrambled into the back and started fucking each other like it was going out of fashion. I was so away I hardly noticed when Colin pulled up.

When he got to my car he saw me, naked apart from my stockings and suspenders, straddled over Pete and bouncing up and down on his shaft like a yo-yo.

I wound down the window and he unzipped his fly and took out the biggest cock I had ever seen. It was about nine inches long and too thick for me to get my hand round.

I leaned out of the window and started to suck his monster dick while Pete banged away at me from behind.

I opened the door and told Colin to fuck me. Even though I was very wet, it was a tight squeeze as he edged his huge dick up my cunt.

As he stretched me wide open Pete was holding my head in his hands and giving my mouth a good fucking. It felt great to be fucked at both ends.

The harder Colin fucked me the more difficult it was to keep Pete's cock in my mouth. I kept my mouth open as wide as I could and took his thrusts deep in the back of my throat.

I could feel myself building to a climax, and in between breaths was coming a tirade of filth, telling them to fuck me harder and faster.

They took me out of the car and I knelt between them both. I took both of their cocks in my hands and wanked, sucked and licked them.

Colin put his dick back up my cunt from the front while Pete pulled my bum cheeks apart and started to push his dick up my arse.

I had never felt anything like this before. My cunt was so full and now my bum hole was being stretched as much by another dick.

As soon as he pushed it in fully and started thrusting I totally lost it and started screaming from the mixture of pleasure and pain.

I was on the verge of a huge orgasm and this time I was going to have it as they took turns to thrust hard up my holes, moaning and groaning as much as me.

Colin pulled out of me and sat in the car. I leaned over to suck and wank him as hard as I could while Pete continued to fuck me up the arse.

I started to cum and as I did a huge load of spunk streamed into my mouth from Colin's jerking cock. I sucked harder as I felt the waves of my orgasm hit me.

Colin reached forward and rubbed my clit causing me to cum even harder. With a grunt Pete plunged deep into my arse and emptied his load inside me.

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

Have you ever had group sex?

My husband Mike is a builder, and he laid on a treat for me on my birthday.

He phoned me up at lunchtime on the big day, a Friday, and told me to come down to the pub for a drink as he'd knocked off early.

I went down there and when I got in I saw Mike sitting with a load of his builder mates. I like a bit of rough, and when I saw them all sat around smoking fags and reading The Sun in their work clothes, I thought they looked a right horny bunch.

As soon as they saw me, they all started cheering.

Then Mike nodded to them, and suddenly the music to The Full Monty came on and they all jumped up and started to dance. Mike shoved a large drink in my hand and wished me a happy birthday. I then sat and watched as the five of them stripped off in front of me. It was brilliant.

They all stripped down to their underwear, and I could see that a couple of the blokes were hung like horses. When they'd finished they all came over and kissed me on the cheek one by one, wishing me a happy birthday. Then we all sat down round a big table and spent the rest of the day getting pissed. Over the course of the day, some of the blokes drifted away until there was only me, Mike and two of his mates, Phil and John, left. These were the two blokes with the big dicks, I noted to myself wickedly.

We were pretty pissed, and Mike suggested we get an Indian and go back to our place for some more booze. We agreed it was a good idea, and half an hour later we were back at our place tucking into chow mein and a bottle of whiskey.

I started telling Mike how much I had enjoyed the lads' strip. I said I wouldn't mind finding out if John and Phil's cocks were as big as they looked through their boxer shorts. Then Mike suggested that if I had liked the strip so much, why didn't I return the favour and do a strip for them? I looked across and saw John and Phil nodding eagerly.

I was feeling pretty damn randy, and the thought of having an extra pair of cocks to play with, a pair of big ones at that, was too tempting for me. I agreed it was fair enough, and put some music on. Just as I was about to start Mike fetched his builder's hat and gloves and tossed them to me, which made Phil and John piss themselves laughing.

I started to dance seductively in front of Phil and John, who had pulled up chairs and were now sporting good-sized bulges in their pants. Slowly I unbuttoned my shirt before flinging it to Phil. Then I sat on John's knee and let him suck my erect nipples.

I could feel his big hard-on straining up through his trousers and poking me in the thigh.

I moved over to Mike and let him unbutton my jeans. Then I bent over in front of all three of them and pulled them off before doing the same to my deliciously damp knickers. John and Phil had tent-poles in their trousers, which they were rubbing longingly. Mike had his cock out, and when I caught sight of it I got down on my knees and took it in my mouth.

As I sucked my husband's pole, I felt my wet pussy being probed from behind. John had nestled in behind me and was working a couple of fingers inside me. Then I felt his tongue working away at my slit, licking up and down. I shoved my hips back against him, encouraging him to worm his tongue inside my hot hole.

Suddenly Mike got out of his seat and Phil sat down in his place, offering me his dick to suck on. It was an impressive sight, rising thick and hard above his belly button.

I cupped my hand round his bollocks and caressed them while my tongue went to work on his cock.

FESSIONS

Round the back, John now had three fingers up my cunt and his thumb up my arse. I bucked back and forth between the two men, taking a throatful of cock at one end and getting fingered in both holes at the other. It was a massive turn-on having three men all to myself, and it wasn't long before I had my first orgasm of the night, shaking like mad and almost biting Phil's knob off.

When I had calmed down, Phil lay on the floor holding his big cock towards the ceiling. I clambered aboard him and impaled myself on his meat. Slowly I eased my weight down on him until only his balls were left outside me. Then I started to ride him, my juices smeared all over his cock and glistening like dew on his pubes.

Then John stood over Phil and fed his cock into my mouth. He had a large tool as well, and I struggled to get my mouth round it. With his cock nice and wet with my spit, he positioned himself behind me and then my husband, who was directing as if it was a porn film, told me to lean forward.

He knew one of my fantasies was to get both holes filled with cock at once, and it was about to come true.

I leaned forward and felt John exploring my arsehole with a finger. As my ring piece started to relax, he inserted a second digit. Then after a couple of minutes he pulled them out and I felt his cock straining against my arsehole. After a bit of push-me-pull-me, his cock was up my arse.

It felt incredible to have my cunt and arse full for the first time. Phil and John found their rhythm and started to give me a good double fuck, driving into my pussy and arse in tandem. Mike was watching and wanking furiously as his two friends fucked the hell out of me.

I was going wild sandwiched between the two of them, screaming like mad and cumming over and over again. My holes were clamped around Phil and John's big cocks, and the first one to fire a wad of spunk up me was John. He pushed his knob deep up me and a river of jism flowed into my arse. Just as he pulled out Phil clenched my buttocks and held my hips in place as he pumped every last drop of his bollock-batter deep inside my pussy.

To round it off, Mike stood over me and showered my face, throat and tits with hot cum, leaving me with a big pearl necklace.

It was a fucking great birthday present. Now Mike tells everyone he got me a nice necklace for my birthday, and we have a sly laugh. I can't wait to see what I'm going to get next year – I've been pestering him to set his whole building gang on me!

Has your sex life changes since you got married?

My husband Bob and I had been seeing each other for a couple of years before we tied the knot last summer, so it hasn't changed dramatically. Mind you, I used to be a right little slapper before I met Bob, but more on that later! Bob introduced me to partner swapping and I have since found out that it is a huge thrill to be fucked by a stranger in front of Bob, and likewise for me to watch Bob fucking the hell out of other women.

Getting married hasn't made any difference – we both love partner swapping and it gives us so much enjoyment. We wouldn't give it up for the world!

Recently we got it on with a horny young couple we met through a local contact magazine. We arranged to meet in a local pub, with the option to return and stay the night at our house if we hit it off. Their names were James and Kim, they were in their early twenties and from their photos they looked fit as fiddles.

I dressed up sexily, determined to have these two young fuckers in my bed that night. I wore a revealing top, a skirt coming half way down my thigh, some sexy black suspenders and long leather boots.

I didn't bother with a G-string. Bob said I looked gorgeous and it was all I could do to get him out of the door without bending me over and rogering me, not that I'd have really complained!

When we got to the pub we immediately saw James and Kim sitting at the bar.

James was casually dressed and with his blonde hair and good looks I just wanted to suck him off right there. Kim was a picture, dressed in the tightest of trousers and a tiny top. She was sitting with her back to me as we entered the pub so I could see her shapely bum spilling over the stool, clearly knickerless. I made a mental note to savour that arse later.

TRUE CON

We went over and introduced ourselves, and James wasted no time eyeing me up and down. His face giving everything away – he couldn't wait to fuck me. At that point I knew they'd be back at our place for an orgy later on.

We had a few drinks and got along famously. After a couple of hours and plenty of drinks, we had relocated to a pair of comfy sofa. Bob was sitting on one sofa with Kim all over him and I was sitting on James' lap on the other one, feeling his semi-hard cock pressing against my thigh.

There was a lot of flirty talk and wandering hands. When Bob suggested we go back to our place for more drinks, James and Kim agreed like a shot.

As soon as we got into the front room we paired off. I kissed James passionately and pushed him onto a comfy chair.

Straddling him, I kissed him and gyrated my body over him, rubbing my crotch up against him until I could feel his cock straining to get out of his trousers. Looking over my shoulder, I saw Kim sitting back on the sofa with her trousers off and Bob kneeling between her legs. Bob certainly knows how to lick a cunt, and Kim looked like she was enjoying herself.

While I rubbed myself against him, James reached around behind me and slid his hands up my skirt, fondling my arse.

I thrust it out and he slid one hand right between my legs, finding my warm, wet shaven pussy. Two fingers easily found their way inside my tunnel and I bucked back and forth on them. With his other hand James had pulled my top off and he was sucking on my ripe nipples.

Before I knew it I was cumming, and judging by the sounds Kim was making so was she. I soaked James' hand before taking his fingers in my mouth and licking them clean. Then I told him to stand up. He did as he was told and I quickly undressed him until he had nothing on but a hard. I fell onto my knees in front of him and took his meaty cock in my hands. Peeling back his foreskin, I darted my tongue around his swollen helmet and licked the pre-cum from his hog's eye.

He moaned as I massaged his balls and took his long cock down me for some deep throat. As I sucked off James, I felt a skilful hand exploring my cunt from behind. I felt two, three and then a fourth finger inside me, and they weren't Bob's chubby digits. I realised Kim must have been fingering me. I took a quick break from cocksucking and glanced round. Sure enough, Kim was all fours getting fucked by my husband and shoving four fingers up my cunt.

For the next five or ten minutes I enjoyed sucking James off while his girlfriend frigged my cunt. Then I felt a massive orgasm brewing inside me. My body started trembling and I came powerfully, drenching Kim's hand and wrist. It was time for me to get fucked.

I got on all fours in the centre of the room and James saddled up behind me.

Kim in turn kneeled in front of me and offered me her peachy arse and cunt. Bob took his place in front of Kim and for a moment we all paused for breath. Then Bob slammed his cock down Kim's throat, triggering a frantic fuck session.

James drove his cock inside me from behind and started banging away. I spread Kim's arse cheeks wide and started eating out her divine arse. I wish we could have got that on camera, it must have looked amazing. James was at one end banging my cumming cunt and Bob was at the other end getting his cock sucked while us girls were in ecstasy in between.

We kept fucking like this for I don't know how long, Bob and James occasionally changing places. It felt like I was constantly cumming as my cunt got fucked, my arse fingered and I feasted on Kim's juicy pussy and arse.

Eventually James announced he was going to cum. He buried himself inside me to the hilt and flooded my cut with his warm seed. I bucked back and forth gently, milking his cock dry of spunk. Then Bob said he was going to cum in us girls' faces. Kim and me knelt obediently in front of him while he jacked himself off in our faces. Great globs of cum jumped out of his cock and coated our face, rolling down our cheeks covering our lips.

Then we licked the cum off each other's faces and kissed, exchanging mouthfuls of gunky spunk. Finally we licked the blokes' cocks and balls clean. By the end of it we had bellyfuls of cum and I had a dripping cuntful too.

IRAZOLA

Cherry is a firm favourite here at Razzle and it's easy to see why! "I get so many messages from your readers complimenting me on my huge tits! You'd thing that they'd be more interested in my arse and pussy, but no, they'd much rather have a titty wank and cum over my face rather than inside one of my holes, which is a shame because I'm a big fan of anal sex."

NAUGHTY
ANGEL

Hairy pussies aren't for everyone, but we get emails all the time from readers asking to see a bit more hair down there! "I trim a bit around the edges but my husband is a big fan of the bush, and the hairier I am the more he enjoys going down on me for a 'pussy meal' and believe me he can munch and lick away for hours when he's in the mood. So if he's happy with a bit of extra hair down there, then so am I!"

"I bet your readers would love to replace my blue vibrator with their cocks, and feel just what it's like to slide themselves deep inside my tight wet pussy!" We were thinking exactly the same thing, and would love to give it a try ourselves! "I carry it everywhere with me and pull it out when I'm feeling a bit horny! I've even been known to slip into the toilets at the supermarket half way through my shopping and have a cheeky session!"

"I like my bananas like my dicks, big and firm! And just like I peel the skin from a banana I love to pull back the foreskin from a hard cock and suck on some head! But I do hold short from sticking a banana in my pussy, although I have to confess that I got very drunk once and let an ex-boyfriend stick one in my arse while he fucked me!"

SOPHIA

Slathered in oil, Sophia looks as fit for the oven as she does for the bedroom - if she could just find an apple to cram in her mouth! And she's looking for lucky readers to slam in the lamb and give her a good basting. "I have rubber sheets at home and lots of oils and creams for massages and slippery sex. Shagging feels so decadent when you're dripping with warm oil!"

NICOLA

We don't know who's in charge of recruitment over here at Paul Raymond, or if that position even exists, but we could do with a new secretary around the office to whip us into shape, and based on her latest shoot with us Nicola Kiss fits the bill in every single department! We're not your typical kind of company and it's certainly not a sackable offence to strip off and fuck yourself with a dildo during your lunch break, especially if you have the decency to do it in front of everyone in the office. In fact, we actively encourage this kind of behaviour. On that note you can send your CV to us at contact@paulraymondmedia.com if you think you'd fit right in over here!

THE JOB CLUB!!!

I'd been out job hunting and when I got back I found my husband at home with his friend Eugene.

They said I looked sexy and asked if I would pose for them. I agreed and they fetched the camera.

As my poses became more revealing, I noticed the tell tale bulges in both of their trousers.

The thought of what two rock hard cocks could do to me, or what I could do to them, made my heart pump and my pussy wet.

I had only my sexy black stockings and suspenders on. They blindfolded me to make things even more exciting.

Straight away I felt warm hands roaming all over my body. Then I felt a throbbing cock push inside my wet pussy, so I opened my legs obligingly.

My pussy was getting nicely fucked, the hard cock sliding backwards and forwards and the balls gently slapping my cheeks.

I was carefully manoeuvred onto all fours. Then I felt my pussy get filled up with prick again. I opened my mouth wide to accept the other cock pointed at my face.

I licked away at the heavy balls in between deep-throating the thick shaft. I could taste the sweet pre-cum as the pace off the thrusting from behind increased.

I bucked my hips backwards to meet the frantic thrusts, taking the other cock right down my throat each time I bucked forward.

Suddenly I got a full load of spunk just as I had the cock right down my throat.

I swallowed it and milked as much as I could into my mouth to taste.

Then, with one final deep thrust, I got a cuntful of thick creamy spunk. The satisfaction was so great we did it all again as soon as the cocks were hard again.

GORGE FOREMAN

I used to work in a porcelain factory with my boyfriend Fred. We met there, and used to spend our breaks kissing and cuddling round the back of the stores.

With all the hot weather we had in the summer, we got more and more carried away. One week we decided to meet round by the back gates in the old gatekeeper's shed.

We had planned to get down to some serious shagging. I had deliberately gone to work that day in a thin T-shirt, mini-skirt and no knickers.

All morning my pussy was getting more and more juicy. I couldn't wait till lunchtime.

When the siren went off we both rushed out the back. We were gagging for it and I practically ripped the buttons off his jeans in the rush to get his cock in my mouth.

I was really going for it, sucking and licking the purple end and wanking him with one hand while the other stroked his balls.

Fred suddenly put his hand on my head and whispered that someone was coming but I didn't bother to turn round. If he wasn't going to stop, neither was I. The footsteps stopped behind me and I could just hear a man breathing roughly. Then Fred pulled me towards him and kissed me.

He pulled my T-shirt up so my 34C boobs bounced out, he squeezed them and pinched my nipples. He turned me round to face the other bloke and I saw that it was our foreman Nigel. He was standing there with his enormous dick in his hand, grinning as he looked me over.

As I now had my back to my boyfriend he leaned against the metal railings and put his thumb into my cunt. Holding my pussy lips open with his fingers, he stroked my clit.

I was so wet and excited that I flooded his hand and as my hole was gaping open it made it easy for Fred to stuff his dick straight into my cunt.

I fell forward onto Nigel's cock and started giving him a blow-job. This was my ultimate fantasy – two blokes at the same time.

I really enjoyed licking and sucking at his thick cock, sliding my tongue up and down it. I forked my tongue into the slit, lapping up all the oozing pre-cum. It didn't take long for my boyfriend to spurt his thick cum into my wet pussy and practically at the same time I got a mouthful from Nigel.

As he sprayed my face and tits with his creamy spunk I felt it run over my chin and drip onto the ground.

Lynsey made the trip over from the Ukraine and has settled down nicely in London! “We don’t have these kind of magazines over in the Ukraine and after making the difficult decision to leave my Mother Land I was shocked at how different things are over here. I would never have thought about having naked photos of me taken of me, let alone sharing them with complete strangers. It’s very liberating and gets me really wet between the legs!”

HE LOVES ME IN STOCKINGS AND HEELS 2

- WICKED PICTURES

Starring: AJ Applegate, Karma Rx, Kenna James, Kenzie Taylor, Olivia Austin.

To be perfectly honest, the girls on show in this flick are so tasty I'd love them wrapped in yesterday's chip paper, but given that they are, in fact, all dolled up in a selection of rather saucy stocking-based outfits, then they're nigh on perfect. Oddly named Karma Rx turns out not to be some sort of digital SLR camera but rather a beautifully-boobed babe who, while she sports some rather scary looking tattoos on her arms, also looks mighty fine jiggling about next to a baby grand piano. After five minutes or so of that she joins a lucky woodsman on the bed, and they're soon giving each other a nice 69ing. Then it's time for some doggystyle that gets her tits bouncing a treat. In the end the lucky lad spuffs all over her stockinged toes, which she gamely licks clean. Olivia's another nicely-norked splosher with an eminently snackable snizz. The shagging itself only lasts 8 minutes or so, but I can't entirely blame her fella for that. The remaining three scenes are all equally strokeworthy as well.
